

2019 Official Receipt for the Wayne Rugby Tournament

DO NOT make checks to Wayne State College or WSC
if your school is paying, please read below

Many accounting programs will "automaticly" pull up a school name or account, from past business and use the mailing address last used. This will cause a major problems since the check will go to Wayne State Athletics varsity budget, or the Wayne State general accounting/admissions. This will make your check be lost for days/weeks/ and maybe months.

We can not stress this enough on payment, so please follow along to make this go very easy.

#1. PRINT this sheet out, and with the wide variety of games, 15's or 7's or full teams/half teams

and adding extra games, B sides and such.....your school will Not know what you are entering in.

After you print this, simply CIRCLE WITH A PEN, the price you want to pay for the entry fee, and we will put you into the playing bracket, that you choose by

circling the price, and turn into your accounting department

Yes, you can pay by check or CREDIT CARD. Many schools are going to credit card method, and instrurtions for that are on the bottom of the sheet, but circlce what you want for your entry.
